

**Dear Cell Leader,**

***Think about it***

*Andrew Murray “the man who mobilizes the Christian Church to pray will make the greatest contribution to world evangelization in history.”*

Remind everyone about a DNA group – what it is & why it is important. It is essential for every believer to have support and accountability for (a) hearing God speaking to them (b) personal growth and accountability (c) reaching out to other people. Discuss again and role-model how to form a 2/3 and develop basic discipleship & a strong DNA. Share your story. Explain it carefully using the pamphlet (NB : [download from the website](#)) Encourage everyone to meet weekly with someone from the cell. [how about Sun, 8.15 -9am @ Streams].

**Read out the passage below, restate it in your own words, reflect over it for 3-5 mins, then relate one thing you learned from the passage. Let each person share what they have learned. (Each person should share once before anyone shares twice)**

**PRAY FILLS HEAVENS BOWLS**

***Revelation 8:3-5 (NIV)***

*<sup>3</sup> Another angel, who had a golden censer, came and stood at the altar. He was given much incense to offer, with the prayers of all the saints, on the golden altar before the throne. <sup>4</sup> The smoke of the incense, together with the prayers of the saints, went up before God from the angel's hand. <sup>5</sup> Then the angel took the censer, filled it with fire from the altar, and hurled it on the earth; and there came peals of thunder, rumblings, flashes of lightning and an earthquake.*

Enjoy your cell family
